PROFESSIONAL EXPERIENCE

Senior Analyst, Financial Planning **Apr 2025 to Present**

Northwind Traders | Remote | Full-time

Build monthly forecasts and budget models covering revenue, operating costs, headcount and capital spending across four business units.

Review spreadsheet models for broken references, hardcoded values, inconsistent formulas and unsupported assumptions.

Prepare variance commentary and scenario analysis for the leadership team, linking results with their operating drivers.

Financial Analyst, Business Planning **Feb 2022 to Mar 2025**

Contoso Group | Lisbon, Portugal

Redesigned planning templates with dynamic summaries and data checks, cutting monthly reporting time by 40%.

Supported operating expense budgeting and three-year projections linked to revenue growth and operational KPIs.

Worked with finance, sales and operations teams to align assumptions, explain variances and improve forecast accuracy, presenting findings in clear dashboards and short written summaries for managers who needed decisions quickly.
